At dinner tonight, I was just asking my b-in-law to bring me to a gun shop tomorrow when he drives me back home for 43 hours.
He laughed. I scowled briefly, then said 'ye-ah'.
He let me practice last summer; his felt unbalanced and too weighty to me. (My mom was a NYPD sharpshooter, so, hopefully I have those genes.)
My nail gun is broken.

NCRE?
DIPCRT?
Card?
2.0?
neon gods?
You guys are really spiking my interest but I'm dumb I can't make any sense of this.
